Here, our learners are provided with an engaging environment that is highly stimulating, interactive, and reflective. It is a place where the 'mind and heart' come together for an immersive learning experience.

Dr. Chenraj Roychand

Founder Chairman, JAIN Group and Founder, Knowledgeum Academy

Filled with purpose, KNOWLEDGEUM ACADEMY

We are delighted that you are interested in learning about Knowledgeum Academy. Knowledgeum Academy is an authorized IB World School, backed by JAIN Group, a reputed organization with over 30 years of legacy in the education sector. Our academy focuses on creating inquisitive learners who have the desire and passion to grow into eminent professionals in the future. The Academy offers the International Baccalaureate Diploma Programme (Grades 11 and 12) and Cambridge International Programme (Grades 8 to 10) in the heart of Bengaluru.

At Knowledgeum Academy, we consider learning as relevant as the relatedness between a classroom and the outside world. We encourage reflection on the knowledge imparted and action on it through the service of others. We believe that learning culls out true action and impact. Our curricula is based on contemporary research in 'Education, Innovation, and Learning'. The flexible and multiple pedagogies accommodate different learning styles, coupled with authentic assessments.

*Student Residences available for outstation scholars

At Knowledgeum Academy, the purpose reaches beyond knowledge to inspire in your desire to think, create, and innovate. It aims at developing your abilities and aspirations to educate yourself beyond the limits of formal education. You are provided with varied and diverse opportunities to unfurl, take the onus of your education, and feel safe to take risks, and excel.

Ms. Aparna Prasad

Director, Communications and HR, JAIN Group and Founder, Knowledgeum Academy

An international education

We blend traditional academic subjects with practical inquiry-based learning and investigation to develop analytical, critical, and creative thinking skills, and an affinity for problem-solving. As a student of Knowledgeum Academy, you are prepared for the innovative economy of the 21st century.

International Baccalaureate Diploma Programme

IB Diploma Programme (IBDP), a comprehensive and challenging two-year curriculum is globally recognized as one of the premier high school diploma programmes (Grades 11 and 12). The IB board aims in providing exceptional learning to developing, inquisitive, resourceful, confident, and caring young people. The programme proclaims to empower you to take on your life through practical and future-ready skills to make a difference and thrive in this fast-paced world.

DP Core

Theory of Knowledge (TOK)

Theory of Knowledge is assessed through an oral presentation and a 1600 word essay.

Creativity, Activity, and Service (CAS)

CAS requires learners to take part in a range of experiences and at least one project.

Extended Essay (EE)

The extended essay is an independent, self-directed piece of research, finishing with a 4,000 word paper.

Teaching-Learning Approach

- Based on inquiry
- Focused on conceptual understanding

Assessment

In IB Diploma Programme, the diploma is awarded to those who gain at least 24 points, subject to certain minimum levels of performance across the whole programme and to satisfactory participation in the CAS requirement. The highest total that you can be awarded is 45 points.

You will take written examinations at the end of the programme which is marked by external IB examiners. You are also required to complete assessment tasks in the academy, which are either initially marked by facilitators and then assessed by external moderators or sent directly to external examiners. The grades awarded for each course range from 1 (lowest) to 7 (highest). You can also be awarded up to three additional points for their combined results on TOK and the EE.

Cambridge Assessment International Education (CAIE)

The CAIE is a part of Cambridge University that prepares students for life, helping them develop an informed curiosity and a lasting passion for learning. The qualifications set the global standard for international education which is created by subject experts, rooted in academic rigour, and reflects latest educational research.

Programme Advantages
